

HAPPY HALLOWEEN

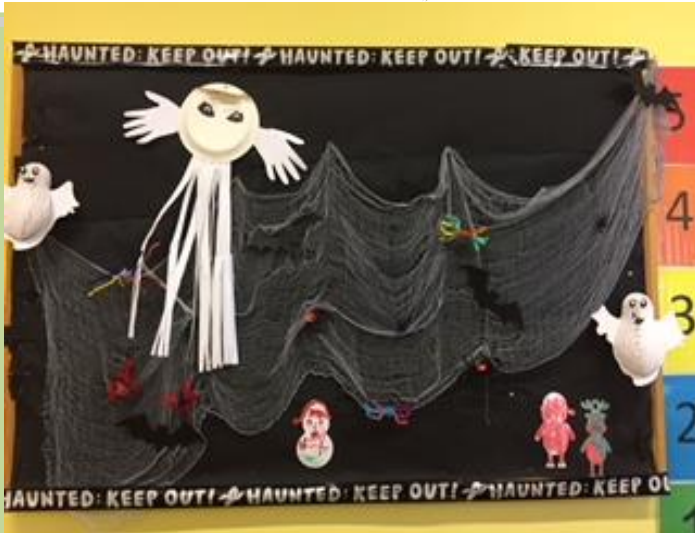

FIREWORKS AND BONFIRES – SAFETY TIPS

- Don't allow children to attend unsupervised bonfires.
- Under 2006 legislation, if you ignite a firework or cause it to be ignited in any place, you are guilty of an offence (unless you are a licensed operator).
- Don't forget to keep pets indoors and be extra vigilant if out trick-or-treating. Halloween safety is important too for our furry friends.

BIG THANK YOU TO THE DOMINICAN SISTERS

As you know, Casa Caterina is always short of funds and it is only thanks to the Dominican Sisters that we have many of the facilities we have. Our Nurture Room, Sensory Room and Playground were all directly funded from the Dominican Ministry Fund and the Dominicans have also funded many building projects, including new floors and fixing the roof. It's always good to know that our little school is as important to them as it is to us.

ORANGE ROOM – HALLOWEEN BOARD

Halloween is on the way and all the classes have been decorating and crafting to make their classes *SCAAAARY* and just a little bit *CREEPY*!!!!

Christmas Mass

Fr Peter Mc Verry will be coming our school in December to celebrate a Mass for us. It is always a lovely occasion giving Parents and Guardians a chance to visit the school. Your invitation confirming time & date will be issued early December.

Communion & Confirmation

Preparations have already begun for these sacraments and we are looking forward to them.

Fundraising

Our school does not get enough money from the Department of Education & Skills to run the school. Your Book money is an integral part of the school's finances so we really appreciate all who pay either in full or weekly/monthly.

If you would like to help with our Parents Association, or have any ideas to help us with fundraising, please contact the school (01) 8385326 or email us at casacaterina.ias@eircom.net

...and finally

On behalf of myself and all our staff, we wish you a lovely Halloween break and look forward to welcoming you all back on 4th November 2019.
